## Art and Design Workshops for KS1 and KS2

### Enrich and enliven your curriculum with a visiting artist

Courtyard Arts is pleased to be able to offer schools workshops in the following areas: **Colour and Line, Print, Felt Making, Willow, Paper Making, Clay and Embroidery.**

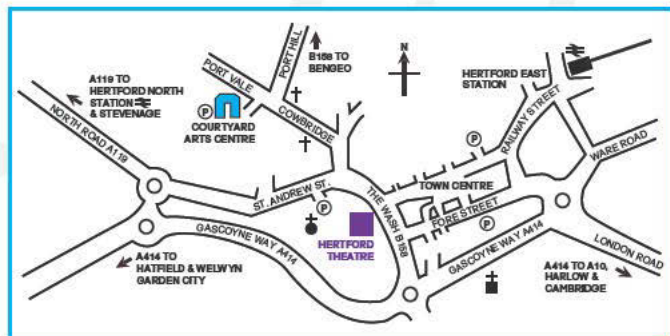

Art and design is a fantastic way of bringing your curriculum to life. We shape our workshops around what your pupils are learning. Our artists are very experienced and will work with you to ensure the workshops meet your requirements.

Our workshops support the Art and Design Curriculum. Pupils who take part in our workshops will learn to:

- Record from first-hand observation, experience and imagination, and explore ideas
- Ask and answer questions about the starting points for their work and develop their ideas
- Investigate the possibilities of a range of materials and processes
- Try out tools and techniques and apply these to materials and processes, including drawing
- Represent observations, ideas and feelings, and design and make images and artefacts.

Prices - 1 Day inclusive of materials £400. Prices based on one class of 30 pupils.

Discounts are available for larger bookings. Please contact Courtyard Arts to discuss your requirements.

**Courtyard Arts** is a community arts venue based in Hertford. We offer a wide range of art and ceramics classes for all ages and abilities, alongside a gallery, gift shop and small cafe.
